INFORMATION

NAVIGATIONAL POINTS OF INTEREST

•3:00pm Pine Island • 5:30pm Blackney Passage • 8:15pm Chatham Point • 9:15pm Seymour Narrows • 10:00pm Cape Mudge

Note: *Times are approximate and subject to change due to weather conditions.*

As the waters narrow, we will enter the most scenic portion of the Canadian Inside Passage. With the mountains of Vancouver island on our right and the island of the mainland on our left, Queen Charlotte Sound funnels us into Blackney Passage. Here the tides and currents join forces, producing an abundance of nutrients – calling the wildlife to feed. Humpback whales, Orcas and Dall's porpoises are commonly seen in the tide pools of this passage. In the evening, the waters narrow again as we turn south on Johnstone Strait. Only 3 miles (4.8 km) wide at the entrance, it narrows to 1.2 miles (1.9 km) over its 68 miles (101 km) in length. As the sun sets, the scenery, wildlife and activity dotting the shoreline create a perfect end to a day at sea and your cruise.

TIME CHANGE

During the night of Friday to Saturday the ship's clocks will be set 1 hour forward. Please adjust your timepieces before retiring on Friday evening.

CASINO SLOT PAYOUT

So far this cruise, the slot machines in Fortunes Casino on Deck 4 have paid out: $62,415.25.
